Receipt No. 2022/997

Dear Mr Dean

**Thank you to Hanwell Chapter**

On behalf of the life-limited and disabled children using children's hospice services around London and across the British Isles, I am writing to say thank you for your generous donation towards my Christmas appeal for Lifelites.

Your donation of £800 will help Lifelites give children with limited life unlimited possibilities, giving them a chance to play, be creative, control something for themselves, and communicate, for as long as it is possible. Please accept this letter as a receipt of your kind support.

It is only because of people like you that Lifelites can donate and maintain the specialist packages of assistive and inclusive technology that enhance the lives of thousands of children each year.

Please find enclosed the Lifelites Christmas appeal certificate for you to display. Hanwell Chapter will be added to a roll of honour page on the Lifelites website, and you will be updated with how your support is making a difference through regular communications. Please contact Lifelites if you would prefer to opt out.

Thank you once again for your kind support.
