Dear Mr. Dean

I wish to thank the members of Hanwell Chapter for your generous donation of £1,000. I am sorry to hear that Hanwell Chapter has been closed. It is never an easy decision to take and I am grateful that you have supported Meadow House Hospice in your final distribution of funds.

Your donation will be paid into our Charitable Trust Fund that is made up entirely from voluntary donations and fundraising activities. It provides enhanced facilities and comforts for hospice patients and visitors and support for patients and their families in their own homes and in local nursing homes.

Since 1987 we have provided Specialist Palliative Care for the local community. The Charitable Fund has enabled us to maintain a pleasant environment for people using the hospice. We have purchased specialist equipment and services that are suitable for our patients' needs. These include a little pampering that help promote the well-being of our patients and for which the NHS does not provide the funds. The generosity of our donors provide the finance.

Many thanks once again for your kind support.

Yours sincerely,

David Thomas
