Dear Mr Dean,

Thank you for your generous donation of £200 which we received on 8th November 2022, towards the vital work of the Royal British Legion (RBL). I am sorry to hear that the Chapter is closing, please pass on our thanks to all the members for their continued support, which has made a real difference to the Armed Forces community we serve.

This Remembrance Sunday, we joined members of the British Royal Family, senior politicians and 10,000 veterans at the Cenotaph to remember the fallen and the sacrifices made by those in the Armed Forces community. Thank you for joining the nation in Remembrance and showing, through your generosity, that we care for and are here for those currently serving, our veterans and their families.

At the RBL, we believe that no-one who has served to protect our freedom should be disadvantaged because of the sacrifices they have made. Your donation means that when someone is brave enough to ask for help, we can provide it. The stories of Jon and Nick in our 'Poppy Press Special Edition 2022', which I have enclosed with this letter, are but a few of the thousands of service personnel and veterans whose lives have turned around thanks to the RBL.

On behalf of the many who will benefit from your generous contribution, thank you. Together, we can ensure that those who have served and made sacrifices for us receive the help that they need no matter what.

With best wishes,

*Yours sincerely,
Hannah Clay*
